Whereas, at the State Democratic

nation of all offices, including United

July 1916, no candidate for United
States Senator received a majority of
the votes for that office.

And Whereas, Hon. O. B. Colquitt

gest number of votes at the Demo-

INSTALLED NEW SCALES.

Mr. G. F. Noller, scale expert for
the Howe Scale Co. of Rutland, Vt.,
has been in Bryan this week install-
ing a 100-ton Howe registering beam
roller bearing track scales for the oil
mill. To form some idea as to the
size and cost of such scales, it took
two large cars of gravel, 270 sacks of
cement and 60 sacks of lime to make
the foundation. Mr. Noller is chang-
ing the wagon scales to a registering
beam so when the scale is balanced
by pulling a lever, the scale will reg-
ister on a ticket the exact weight.
